Proforma for inspection of insecticides manufacturing units in Haryana state.

1.	Name	of the manufacturing unit					
2.	Locat	ion/Address of the unit					
3.	Purpose						
	a) N	New Licence					
	b) R	Renewal of Licence					
	c) A	addition of new products/ items					
	d) A	Annual/ Surprise Inspection					
	e) A	any other					
4.	Is the Unit registered with DGT/Department of Industries & Commerce ?						
	If so,	the Number and Year of Regista	ration				
5.	Is the	Unit certified by the Authority	under Fa	ctories Act?			
6.	Infrastructural Facilities:						
(a)	(i)	Whether sufficient provisions	have be	en made for sto	rage		
		of raw material and finished	product	ts of EC, WP,	DP,		
		Weedicides etc separately.					
	(ii)	Has the Unit separate sheds			d for		
		the formulation of EC, WP, D		icides etc?			
	(iii)	Is the machinery in working or					
(b)	Details of Machinery (List to be attached)						
	(i)	For EC formulation.					
	(ii)	For DP formulation.					
	(iii)	For WP formulation.					
	(iv)	For Weedicides.					
	(v)	For any other.					
7.	Laboratory						
	Is the Laboratory equipped as per ISI requirements (List of equipments to be given)						
	1						
	2						
	3						
	4						
	5						
8.	Inton	and analysis of nesticides couri	ad aut				
٥.	Internal analysis of pesticides carried out: Year Name(s) of product(s) Standard Misbranded				chrondod		
	Year	Name(s) of product(s)		Standard	1711	Suranucu	
	Frequ	ency of analysis of different cha	emicale a	I and their results			
	Frequency of analysis of different chemicals and their results.						
9.	Whetl	ner Bathroom/Toilet facilities ha	ave been	provided at the	e site		
· •	, , 11011	22. Sault Colli, I Ollet Inclinion III	000011	rio , laca at the		I	

10.	Has the Unit made adequate arrangements for fire-fighting devices ?						
	If y	es, details of systems provided.					
11.	Datails of arrangements made for discharge						
1,1,	Details of arrangements made for discharge of dust particles, fumes, effluents etc. If yes,						
	· · · · · · · · · · · · · · · · · · ·						
12.	details of systems provided. Expert staff connected with the manufacturing:						
12.	a)	Name					
	b)	Qualification	_				
	c)	Experience					
	<u>d)</u>	Residential Address					
	e)	Other staff					
13.	sponsible Person nominated:						
	a)	Name					
	b)	Father's Name					
	c)	Qualification					
	d)	Experience					
	e)	Residential Address					
14.	Λra	they doing any contract formulation? If yes, for whom and for which items.					
17.	Aic	they doing any contract formulation: If yes, for whom and for which items.					
15.	Are	the products manufactured by the Unit marketed by any other agency? If so, name &	&				
		ress thereof.					
16.	. Source of procurement of TGM (Technical						
	Grade Material)						
	Quality assurance for TGM (Technical Grade Material)						
	i)	Testing facilities for TGM					
	ii)	No. of tests carried out for TGM					
	iii)	Frequency of tests.	_				
17.	_	antity of pesticides (product-wise) formulated (attach list) during the period	d				
10		to					
18.		s the Unit adequate & proper facilities like:					
	a)	Sufficient area for formulation & storage.					
	b)	Separate sections for liquid/ power/ granules/					
	9)	herbicides.					
	c)	Vessels fitted with stirrers, filter, storage					
	d)	tanks for solvents for liquid formulation. Filling & packing lines for powder, WP					
	formulation, grinding mill Pulverizer, jet mill						
		etc with blenders.					
1	i .						

	e)	Filling & sealing line for formulation and granules, granulated plant with accessories.				
	f)	Sufficient technical manpower (Details).				
19.	How are the used containers/ packing and washing disposed off?					
20.	Is d	s drinking water facility sufficient for the workers				
		ne factory premises ?				
21.		the workers being trained in safety measures				
22		handling of savoury equipments etc?				
22.		the Unit provided protective clothing to the kers? Detail of protective clothing &				
		biratory devices being used.				
23.		the Unit made arrangements for adequate				
		power supply (Electricity).				
24.		the firm valid Air/Water/Hazardous waste				
	auth	norisations/consents from Pollution Control				
	Boa	ard, Haryana? If so, the dates of their validity.				
	1-	Air				
	2-	Water				
	3-	Hazardous waste				
25.	Has	s the Unit applied for				
	a)	Registration of new products to the Registration				
		Committee, Ministry of Agriculture, Govt. of India. If so,				
	1 \	No. & date of application.				
	b)	Securing a licence to manufacture and sale to the Licensing				
		Officer notified/appointed by the State other than Haryana.				
	(1)	If so, name of the State. Manufacturing State(s)				
	(2)	Selling State(s)				
26.	a.	Are the medical facilities available in the factory premises?				
20.	b.	Has the Unit ISI standard book on symptoms of poisoning				
		and treatment?				
	c.	Are the workers being examined medically periodically? If				
		yes, at what intervals?				
	d.	Is the Unit maintaining sickness record of its employees?				
	e.	Number of persons affected by the pesticides within three				
		years.				
	f.	Is the medical expert of the Unit familiar with pesticide				
	g.	poisoning? Name of Medical Officer with qualification.				
	h.	How far his clinic is situated.				
	i.	What are the arrangements to take the patient to the doctor,				
		if doctor is part-time?				
	j.	Are the antidotes readily available and facilities for first				
		,				

	aid measures including artificial respiration?		
27.			
28.	Recommendation of the inspecting officer(s).		

Date: Signatures of Inspecting Officer(s) with Seal
